MUSIC DIRECTOR

## BOARD OF DIRECTORS

### **CONNIE BACON**

*Port of Tacoma Commissioner (ret.)*

Music has always been an important part of Connie's life. She started piano lessons at nine, and later met a new musical friend after moving to Tacoma. They formed a piano duo, and for several years performed "A Gift of Music" program at Christmastime.

Connie was a founding board member of Northwest Sinfonietta, remaining on that board for 25 years. She has enjoyed serving on Symphony Tacoma's board more recently, supporting our outstanding musicians and music director.

Connie served 20 years (5 terms) on the Port of Tacoma Commission. As a senior fellow of the American Leadership Forum, she joined her chapter in summiting Mount Adams—at age 75!
