TACOMA

SARAH IOANNIDES
MUSIC DIRECTOR

BOARD OF DIRECTORS

DIANNE K. CONWAY

Gordon Thomas Honeywell

Dianne grew up in Mt. Kisco, NY, where she discovered a talent for playing the violin at age six. She continued playing through high school, graduating in Bellevue, WA. Although she set aside her 1778 Austrian violin to focus on her college education, classical music remains near and dear to her heart. Dianne joined the

Symphony Tacoma Board of Directors in 2014, serving as president from 2019 to June 2022.

Dianne joined Gordon Thomas Honeywell LLP in 1998, where her practice areas include environmental law, real estate litigation, and land use law. Dianne previously served on the Point Defiance Zoo Society's board for 11 years, including as president. She loves her two (somewhat crazy) border collies, travel, exploring the outdoors, and sharing great food and wine with friends.
