JULIE DUNBAR

City of Fircrest

As a seven-year-old, Julie began violin lessons at school. During middle school, she transitioned from violin to viola, under the instruction of Gene Nastri in Everett. Julie has played with the Everett Youth Symphony, Cascade Symphony, Port Angeles Symphony, and several community orchestral and choral organizations.

Appointed to the Symphony Board in 2018, Julie values being part of an amazing organization that promotes music education, and whose mission is to provide music for everyone in the community.

Julie and her adult children share their love of music, a cherished family connection. In her spare time, she enjoys weightlifting, gardening, reading, and of course listening to and playing great music.
