

SYMPHONY

TACOMA

SARAH IOANNIDES
MUSIC DIRECTOR

BOARD OF DIRECTORS

ERIK MOLZEN

Berkshire Hathaway

Erik discovered his love of classical music playing in the Las Vegas Junior Symphony as a violinist through middle and high school, and finally retiring his strings before starting college.

As a newer board member joining in 2021, Erik sought out a connection with the arts community to plant roots in Tacoma after moving to the city in 2019. As a long-time real estate broker, creating relationships and building community come naturally. When he's not traveling with his husband Jason, or taking long walks with their dog Shelby, you'll find him in the garden, watching sports or sharing memorable cocktails with friends on their deck overlooking the South Sound.

Erik's personal vision for Symphony Tacoma is helping people rediscover their love of music and sharing that love with others.
