

SHARON BOURNE-LEADER (Shari)

Sharon Bourne-Leader (Shari) learned to play violin at Whittier Elementary in Fircrest, then joined Tacoma Junior Symphony under the direction of Dale Johnson, and Tacoma Youth Symphony under Harry Davidson. Later, as an adult, she took lessons from Dr. Svend Ronning, who encouraged her to participate as a community member in Pacific Lutheran University's orchestra. Shari currently plays violin with the Tacoma Community College orchestra.

Shari has also sung with Symphony Tacoma Voices, served on the board of Second City Chamber Series, and performed (choir, violin) for St. Charles Borromeo Parish.

A nurse, Shari works for the State of Washington as the Administrator of Policy, Privacy and Public Disclosure for the Behavioral Health Administration.
